It has been encouraging to hear the twitter of birds outside my window in the morning...it's as if they can hardly wait for sunny warm days when they can once again begin to build their nests.

We look forward to a chance to sit out on the front porch or back deck to enjoy the fresh air of Spring!

Volunteer week is this month! We are very thankful for our many volunteers who give of their time to help enhance the life of our residents, either through music, friendly visits or church programs.

We are looking forward to a fun filled April with lots of musical entertainment!
